MCS/MIT Project Evaluation Details

(Subject to the confirmation of the Board of the UCSC.)

Project Evaluation Eligibility & Marks:

☉ The following will be **COMPULSORY** for a project to be chosen for evaluation:

- **Approved Project proposal**
- **Interim Report Submission**
- **Monthly Progress Reports**

☉ **Dissertation & Defense**

It is important to note that the Dissertation & Defense are compulsory components of the project and to pass the project candidate should score **at least 50%** of marks allocated for each component. In case of a group project each member of the group is assessed individually for the Defense. Marks will be allocated as

- **Dissertation – 50%**
- **Defense – 50%**

Project Evaluation:

1. The deadline for **Pre-Final** Project evaluation is on or before **23rd October 2011**. Each student needs to show your full project with the dissertation to the supervisor and ask the supervisor to fill the “**Recommendation for Evaluation**” form. The student needs to **address** all the recommendations given by the Supervisor for the Final Dissertation submission.
2. Submit the **Final** Dissertation (**two spiral bound** printed copies, and an ISO9660 CDROM) with the supervisor signed “**Recommendation for Evaluation**” form for evaluation on **12th November 2011** to the UCSC Examination Branch. This dissertation will be evaluated by **at least two** academics and the **supervisor will not** be in this panel.
3. Project defenses will be on **10th and 11th December 2011** and details related to it will be provided later.
